My Very Own Name

My Very Own Fairy Tale

My Very Own Name is a wonderful, personalised book; animals come from far and wide to spell out the first and last names of the child. A jackal brings a J, an ostrich brings an O, a hippo brings an H, until the child's first and last names are spelled in rhyme. The book also includes an illustrated encyclopedia of 61 animals, with fun facts about each.

My Very Own Fairy Tale transports little girls into a magical garden where flower and berry fairies crown her as their fairy princess. As an added personal touch, this educational book includes an illustrated Fairy World featuring 62 fairies with interesting facts about their flowers and berries.
